*It took an exceptional vision to transform a space into the elegant, comfortable high-end contemporary mountain SPA Townhome Refuge and to capitalize on an exceptional location!*

*Saddle Ridge E2 is no longer a Saddle Ridge ...  
It is the only Contemporary Mountain SPA Townhome Refuge within a Saddle Ridge.  
It no longer can be compared to a Saddle Ridge nor a remodeled Saddle Ridge.*

*It is a transformed space in its entirety into an elegant home, comfortable high-end contemporary mountain SPA Townhome Refuge. It capitalized on an exceptional location and its interior design is timeless and unique.*

*There is no other space like it within a Saddle Ridge and in any new contemporary condos and units anywhere in Big Sky. The materials and the furniture are of great quality and every piece of furniture has been custom designed and custom made for the space!*

*You will enjoy serenity, entertaining, being energized preparing for the outdoors and relaxing as soon as you step in. You will take pride of the luxurious amenities throughout!*
